OFFICE OF THE VICE-PRESIDENT FOR ADMINISTRATION

Office Advisory No. 36 s. 2020
June 23, 2020

TO **All Campus Executive Directors
All Campus Administrative Officers**

SUBJECT **Enjoining All Concerned in the Government to Realize at Least Ten Percent (10%) Cost Savings**

The Secretary of Energy and Chairperson of the Inter-Agency Energy Efficiency and Conservation Committee (IAEEC) released an advisory enjoining all concerned in the Government to realize at least ten percent (10%) cost savings. The said advisory is in support of the implementation of the Republic Act No. (RA) 11469 or the Bayanihan to Heal as One Act, which recommends to conserve and regulate the distribution and use of power, fuel, energy and water, and ensure its adequate supply, the National Budget Circular No. 580 which proposes the Adoption of Economy Measures in the Government due to the Emergency Health Situation, and the RA 11285 or the Energy Efficiency and Conservation Act which directs the Inter-Agency Energy Conservation Committee to implement the Government Energy Management Program.

In compliance with RA 11469, the NBC 580 and the GEMP, all concerned government agencies are enjoined to **implement energy conservation projects and measures to achieve at least ten percent (10%) cost savings** in the petroleum products, air, steam and electricity consumption that would result to the addition to government's resources to contain the spread of COVID-19.

Please accomplish the attached forms indicating your Campus' energy efficiency and conservation projects, programs and measures with target savings, motor vehicle inventory and other strategies consistent with the GEMP. These will be collated for submission of the University to the Department of Energy and DBM. Submit soft copy to the OVPAD at ovpad.psu@gmail.com or davidltr@gmail.com.

For immediate compliance.

Thank you.

MARCELO C. GUTIERREZ Jr., Ph. D.
Vice - President for Administration

Region's Premier University of Choice
