PSU intensifies info dissemination in partnership with Pangasinan media

**Press Conference
with the
Pangasinan Media**
July 25, 2022 | PSU Audio-Visual Room
Lingayen, Pangasinan

Cognizant of the power of communication, the Pangasinan State University partners with members of the Pangasinan media to help intensify the dissemination of vital information that the community needs to know.

Media personalities from the radio, print, television and social media visited the PSU on Monday and were apprised of the highlights of accomplishments of the University particularly with improvements done within the last eight

years, as well as future plans.

PSU's top management led by University President Dr. Dexter R. Buted, together with the five Vice-Presidents: Dr. Paulo V. Cenas (Research and Extension), Dr. Manolito C. Manuel (Academic and Student Affairs), Dr. Marcelo C. Gutierrez (Quality Assurance), Dr. Elbert M. Galas (Administration and Linkages) and Dr. Maria Corazon B. Puzon (Planning and Finance), faced the media sector and responded to their queries.
