

Onsite Selling Launched For Typhoon Victims

The Pangasinan State University launched its Onsite Selling of Pre-loved Items: Fund Raising Activity for the Victims of Typhoon Odette at PSU Lingayen Campus Open Grounds on March 07, 2022 headed by Prof. Celeste T. Mercado, the director of the Student and Alumni Affairs.

Along with Prof. Celeste is the Director of Extension Services Dr. Francis Albert Argente and the FSG President Hon. Christian Madarang who both gave short messages during the opening program.

The fund-raising activity will be of great help to the victims of typhoon Odette, so what are you waiting for, come and buy from us and together we'll extend our helping hand.

This activity is also made possible in cooperation with Globe Telecom, Inc.

National Vaccination Day 4th Round for PSU (Lingayen and Binmaley Campus)

The Pangasinan State University conducted its 4th Round of the National COVID-19 Vaccination Day, as it continuously focuses in protecting the health and safety of its students and employees, as well as their families. This is in cooperation with the Provincial Government of Pangasinan through the Provincial Health Office. The vaccination was held at the Audio-Visual Room of PSU Main Campus on March 18, 2022, from 9am to 5pm.

More than sixty individuals received their vaccines, ranging from first dose, second dose to booster shot. All shots were offered by the Provincial Health Office of Pangasinan to make sure that all students, employees, and their families will get theirs to secure their health before the implementation of limited face-to-face classes.

Hence, PSU will carry on with protecting and securing the health of every PSUnian.
